

OIIB Summer School 2016

Observe, Read, Create the Life

「生命を観る、読む、創る」

August 18 (Thu) - 19 (Fri), 2016

Okazaki Institute for Integrative Bioscience (OIIB)

Yamate campus, Building 3, 2F Seminar room

Dear all lecturers, discussants and participants,

We appreciate your contributions to the OIIB summer school 2016. With your excellent lectures, comments, questions and discussion, this summer school has been really fruitful for us, and we believe that it has been also valuable for you.

Hope we can get together sometime soon.

Sincerely yours,

Ryota IINO
